**Last Sunday's Service**

We looked at the teaching Jesus gave to His disciples straight after he told them he was "the true vine" and all that it meant and his Father was the gardener who prunes each branch that bears fruit so that it bears even more fruit. We thought about the love Jesus has received from the Father and the similar way he loves and encourages us to remain in that love. Jesus went on to say that he wants our lives to be full of Joy, the sort of Joy that a person would feel if he discovered buried treasure in a field, he hid the treasure again, sold all he had to buy the field and then the treasure was his. He would be thrilled at what was now his. Are we thrilled to be receiving love from Jesus and that he calls us friends not servants as he chooses to

share so much with us. The sermon is available at
